REC organizes workshop on Integrated Digital Platform for DISCOMs

Press Information Bureau

Ministry of Power

Workshop on Integrated Digital Platform for Electricity Distribution Schemes held

REC Limited, a Maharatna Central Public Sector Enterprise under the Ministry of Power, hosted a workshop for all state DISCOMs, Program Management Agencies (PMAs), REC-Third Party Quality Monitoring Agencies (TPQMAs) and other stakeholders including sister power sector PSU Power Finance Corporation, on the Revamped Distribution Sector Scheme (RDSS) module of the Integrated Web Portal for Power Sector Distribution Schemes.

This innovative platform has been launched to provide real-time updates and insights into the implementation of power sector distribution schemes including RDSS, thus enabling transparency and efficiency. The platform (<https://rdss.powermin.gov.in/>) was launched by the Union Power and New & Renewable Energy Minister Shri R. K. Singh, at the Review Planning & Monitoring (RPM) meeting with States and State Power Utilities, held in New Delhi during April 10 – 11, 2023.

The workshop held by REC at its corporate office in Gurugram today, February 22, 2024, focused on the importance of the Integrated Web platform, and sought to familiarize all power sector stakeholders on how to best use the platform, to regularly update, monitor and thus speed up the progress under the scheme. More than 200 officials attended the workshop in person, besides another 300 senior officials from DISCOMs, PMAs, PFC, and other stakeholders joining through video conferencing.

REC organizes workshop on Integrated Digital Platform for DISCOMs

REC Limited, a Maharatna CPSE under the Ministry of Power hosted a workshop titled 'Integrated Digital Platform for Power Distribution Sector' at its Corporate Office, Gurugram on Thursday. The workshop was focused on highlighting the importance of the Integrated Web platform, primarily developed to operationalize the Revamped Distribution Sector Scheme (RDSS) and to familiarise with the usage of the platform to regularly update and monitor the progress under the scheme.

The workshop witnessed the participation of more than 200 attendees from all state DISCOMs, Program Management Agencies (PMAs) and REC-TPQMAs and other stakeholders including PFC. Furthermore, an additional 300 senior officials from DISCOMs, PMAs, PFC, and other stakeholders joined the event through video conferencing.

Shri Rahul Dwivedi, ED (PMD), REC engaged with participants alongside other senior officials, emphasizing the significance of the integrated web platform and urging DISCOMs to adopt its usage. Shri Dwivedi said, "Currently, there is no digital platform to synergize data from various schemes and reporting modules, and this is an issue that this platform seeks to address. This platform has the ability to track progress at every stage of the process and will ensure greater visibility, transparency, and accountability in the power distribution sector and is set to be a game-changer for the sector to ensure schemes are implemented efficiently and effectively across the country."

REC organises workshop on Integrated Digital Platform for Power Distribution Sector

REC Limited organized a workshop at its Gurugram office, enlightening over 200 attendees and 300 virtual participants, including DISCOMs, PMAs, and PFC, about the Revamped Distribution Sector Scheme (RDSS) module on the Integrated Web Portal. Launched by Union Power Minister Shri R. K. Singh, the platform enhances transparency and efficiency in power distribution schemes, ensuring real-time updates and progress tracking.

Addressing the workshop participants, Executive Director (Project Management Division), REC Shri Rahul Dwivedi emphasized the significance of the integrated web platform and urged DISCOMs to adopt its usage. "Currently, there is no digital platform to synergize data from various schemes and reporting modules, and this is an issue that this platform seeks to address. This platform has the ability to track progress at every stage of the process and it will thus ensure greater visibility, transparency, and accountability in the power distribution sector. It is set to be a game-changer for the sector, by helping us ensure that schemes are implemented efficiently and effectively across the country."

This platform has the ability to track progress at every stage of the process and will ensure greater visibility, transparency, and accountability in the power distribution sector and is set to be a game-changer for the sector to ensure schemes are implemented efficiently and effectively across the country." The integrated web platform has been developed under RDSS to monitor major schemes and reports for Indian power distribution sector with the objective of operationalizing the RDSS scheme in a digital way. The modules covered under this platform are – RDSS, Consumer Service Rating of DISCOMs (CSR), Energy Accounting, Additional GSDP Borrowing, Integrated Rating of DISCOMs, Key Regulatory Parameters, Annual Performance of State Utilities and Integration with PRAAPTI Portal. The attendees had the opportunity to familiarize themselves with the platform and gain insights. This was followed by an open forum discussion where queries from various stakeholders and attendees were addressed. The workshop concluded with an optimistic outlook for the future of the power distribution sector, with participants eager to leverage the benefits of the Integrated Digital Platform to drive progress and innovation. The integrated digital platform has been designed and developed by the Ministry of Power, REC and Power Finance Corporation.

पत्र सूचना कार्यालय

विद्युत मंत्रालय

विद्युत वितरण योजनाओं के लिए एकीकृत डिजिटल प्लेटफॉर्म पर कार्यशाला का आयोजन

विद्युत मंत्रालय के तहत एक महारत्न केंद्रीय सार्वजनिक क्षेत्र उद्यम आरईसी लिमिटेड ने सभी राज्य डिस्कॉम, कार्यक्रम प्रबंधन एजेंसियों (पीएमए), आरईसी-थर्ड पार्टी क्वालिटी मॉनिटरिंग एजेंसियों (टीपीक्यूएमए) और सहयोगी बिजली क्षेत्र पीएसयू पावर फाइनेंस सहित विद्युत क्षेत्र वितरण योजनाओं के लिए एकीकृत वेब पोर्टल के संशोधित वितरण क्षेत्र योजना (आरडीएसएस) मॉड्यूल पर हितधारकों के लिए एक कार्यशाला की मेजबानी की।

आरडीएसएस सहित बिजली क्षेत्र की वितरण योजनाओं के कार्यान्वयन में वास्तविक समय पर अपडेट और अंतर्दृष्टि प्रदान करने के लिए यह अभिनव मंच लॉन्च किया गया है, जिससे पारदर्शिता और दक्षता सक्षम हो सके। प्लेटफॉर्म (<https://rdss.powermin.gov.in/>) केंद्रीय विद्युत और नवीन एवं नवीकरणीय ऊर्जा मंत्री श्री आर.के. सिंह द्वारा राज्यों और राज्य बिजली उपयोगिताओं के साथ समीक्षा योजना और निगरानी (आरपीएम) बैठक में 10-11 अप्रैल, 2023 के दौरान नई दिल्ली में लॉन्च किया गया था।

आरईसी द्वारा आज, 22 फरवरी, 2024 को गुरुग्राम में अपने कॉर्पोरेट कार्यालय में आयोजित कार्यशाला में एकीकृत वेब प्लेटफॉर्म के महत्व पर ध्यान केंद्रित किया गया और सभी बिजली क्षेत्र के हितधारकों को प्लेटफॉर्म का सर्वोत्तम उपयोग करने, नियमित रूप से अपडेट करने, निगरानी करने और इस बारे में परिचित कराने की कोशिश की गई। इस प्रकार योजना के तहत प्रगति में तेजी आएगी। कार्यशाला में 200 से अधिक अधिकारियों ने व्यक्तिगत रूप से भाग लिया, इसके अलावा डिस्कॉम, पीएमए, पीएफसी और अन्य हितधारकों के 300 अन्य वरिष्ठ अधिकारी वीडियो कॉन्फ्रेंसिंग के माध्यम से शामिल हुए।

कार्यशाला के प्रतिभागियों को संबोधित करते हुए, आरईसी के कार्यकारी निदेशक (परियोजना प्रबंधन प्रभाग) श्री राहुल द्विवेदी ने एकीकृत वेब प्लेटफॉर्म के महत्व पर जोर दिया और डिस्कॉम से इसके उपयोग को अपनाने का आग्रह किया। "वर्तमान में, विभिन्न योजनाओं और रिपोर्टिंग मॉड्यूल से डेटा को सिंक्रनाइज करने के लिए कोई डिजिटल प्लेटफॉर्म नहीं है और यह एक समस्या है जिसे यह प्लेटफॉर्म संबोधित कर रहा है। यह प्लेटफॉर्म प्रक्रिया के हर चरण में प्रगति पर नजर रखने में सक्षम है और इस प्रकार बिजली वितरण क्षेत्र में अधिक दृश्यता, पारदर्शिता और जवाबदेही सुनिश्चित करेगा। यह इस क्षेत्र के लिए गेम चेंजर साबित होगा, जिससे हमें यह सुनिश्चित करने में मदद मिलेगी कि देश भर में योजनाओं को प्रभावी ढंग से और कुशलता से लागू किया जाए।

विराट वैभव

नई दिल्ली, शुक्रवार, 23 फरवरी 2024

आरईसी ने डिस्कॉम के लिए एकीकृत डिजिटल प्लेटफॉर्म पर कार्यशाला का आयोजन किया

वैभव न्यूज ■ गुरुग्राम

विद्युत मंत्रालय के तहत एक महारत्न सीपीएसई, आरईसी लिमिटेड ने गुरुवार को अपने कॉर्पोरेट कार्यालय, गुरुग्राम में बिजली वितरण क्षेत्र के लिए एकीकृत डिजिटल प्लेटफॉर्म नामक एक कार्यशाला की मेजबानी की। कार्यशाला एकीकृत वेब प्लेटफॉर्म के महत्व पर प्रकाश डालने पर केंद्रित थी, जिसे मुख्य रूप से संशोधित वितरण क्षेत्र योजना (आरडीएसएस) को संचालित करने और योजना के तहत प्रगति को नियमित रूप से अपडेट करने और निगरानी करने के लिए प्लेटफॉर्म के उपयोग से परिचित कराने के लिए विकसित किया गया है। कार्यशाला में सभी राज्य डिस्कॉम, कार्यक्रम प्रबंधन एजेंसियों और आरईसी-टीपीक्यूएमए और पीएफसी सहित अन्य हितधारकों से 200 से अधिक उपस्थित लोगों की भागीदारी रही। इसके अलावा,

डिस्कॉम, पीएमए, पीएफसी और अन्य हितधारकों के अतिरिक्त 300 वरिष्ठ अधिकारी वीडियो कॉन्फ्रेंसिंग के माध्यम से इस कार्यक्रम में शामिल हुए। राहुल द्विवेदी, ईडी (पीएमडी), आरईसी ने अन्य वरिष्ठ अधिकारियों और प्रतिभागियों के साथ बातचीत करते हुए, एकीकृत वेब प्लेटफॉर्म के महत्व पर जोर दिया और डिस्कॉम से इसके उपयोग को अपनाने का आग्रह किया। द्विवेदी ने कहा, वर्तमान में, विभिन्न योजनाओं और रिपोर्टिंग मॉड्यूल से डेटा को समन्वित करने के लिए कोई डिजिटल प्लेटफॉर्म नहीं है, और यह एक मुद्दा है जिसे यह प्लेटफॉर्म संबोधित करना चाहता है। इस प्लेटफॉर्म में प्रक्रिया के हर चरण में प्रगति को ट्रैक करने की क्षमता है, जिससे बिजली वितरण क्षेत्र में अधिक पारदर्शिता और जवाबदेही सुनिश्चित होगी, साथ ही देश में योजनाओं को कुशलतापूर्वक और प्रभावी ढंग से लागू किया जा सकेगा।

Thank You
