REC receives 'Innovative Technology Development Award' at IIT Madras

REC bags 'Innovative Technology Development Award' for its 2MW rooftop solar plant at IIT Madras

Executive Director (CSR), Taruna Gupta and Chief Program Manager, REC, Regional Office Chennai, Thara Ramesh, received the award on behalf of REC.

Maharatna Central public sector NBFC REC Limited under the Ministry of Power received 'Innovative Technology Development Award' at the 'Building India 2047: Technology for Better Tomorrow', an IIT Madras Corporate Social Responsibility summit.

The award has been conferred in recognition of REC's CSR initiative of installation of 2MW rooftop solar plant at IIT Madras. The solar plant generates around 3.15 million units of clean energy every year, thus helping IIT Madras reduce its carbon footprint, the Union Ministry of Power said in a press release on Monday.
