State-run REC Ltd has signed a memorandum of understanding (MoU) with the Jawaharlal Nehru Port Authority (JNPA) for financing up to ₹45,000 crore for various upcoming projects, including the development of a port at VadHAVAN in Maharashtra.

A statement from REC issued on Sunday said that Rahul Dwivedi, executive director, REC, signed the MoU on Saturday with JNPA chairman Unmesh Sharad Wagh in the presence of Sarbananda Sonowal, the Union minister for ports, shipping and waterways.

"This MoU is to establish a framework for cooperation between JNPA and REC whereby JNPA implements projects in the infrastructure sector of its expertise and REC shall provide the required funds," said the statement.

JNPA is an undertaking of the government, and is a premier container handling port, accounting for around 50% of the total containerized cargo volume across the major ports

JNPA accounts for around 50% of the total containerized cargo volume across the major ports of India.

of India.

The planned mega port at VadHAVAN in Maharashtra's Palghar district was approved by the Union cabinet in June.

It will be constructed by VadHAVAN Port Project Ltd (VPPL), a special purpose vehicle formed by JNPA and the Maharashtra Maritime Board (MMB) with shareholding of 74% and 26%, respectively.

It will be developed as an all-weather greenfield deep

draft major port.

The total project cost, including the land acquisition component, is estimated at ₹76,220 crore.

A planned mega port at VadHAVAN in Maharashtra's Palghar district was approved by the Union cabinet in June

This will include development of core infrastructure, terminals and other commercial infrastructure as public-private partnerships.

REC is a 'Maharatna' company under the administrative control of the Union ministry of power, and is primarily focused on

financing power infrastructure comprising generation, transmission, distribution, renewable energy and new technologies like electric vehicles, battery storage, pump storage projects, green hydrogen and green ammonia projects, among others.

Over the past few years REC has also diversified into the non-power infrastructure sector comprising roads and expressways, metro rail, airports, IT (information technology) communication, social and commercial infrastructure including educational institution, hospitals, ports and electro-mechanical works in respect of various other sectors like steel, refinery, among others.

As of 30 June, REC's loan book stood at ₹5.3 trillion and net worth at ₹2,351 crore.

For the first quarter of fiscal year 2025, the company reported a 16.57% rise in its consolidated net profit to ₹3,460.19 crore on the back of higher revenues. In the year-ago period, its net profit stood at ₹2,968.05 crore.

Total income rose to ₹13,092.44 crore in the April-June quarter from ₹11,108.16 crore in the same period a year ago.

REC TO PROVIDE ₹45,000 CRORE FINANCE TO JNPA

STATE-OWNED REC
ON Sunday said it has
inked an initial pact to
provide up to ₹45,000

crore financing to various
Jawaharlal Nehru Port Authority
(JNPA) projects. REC, under the
ministry of power and a leading
non-banking financial company
(NBFC), signed an MoU with
JNPA for financing up to ₹45,000
crore for various upcoming JNPA
projects, including development
of Vadhavan Port, a company
statement said.

Business Standard

REC to fund ₹45,000 crore infrastructure boost at JNPA

Government-backed infrastructure financier Rural Electrification Corporation (REC) signed a Memorandum of Understanding worth ₹45,000 crore with the Jawaharlal Nehru Port Authority (JNPA) to finance various upcoming projects, including the Vadhavan port. JNPA is undertaking India's largest port development plan, named Vadhavan project, worth ₹76,220 crore in Maharashtra, and holds a 74 per cent interest in the project.
