RECPDCL hands over two SPVs for Rajasthan power transmission projects to PGCIL

PGCIL emerged as the Transmission Service Provider (TSP) through the Tariff-based Competitive Bidding (TBCB) process conducted by RECPDCL, which served as the Bid Process Coordinator. The transmission projects will be developed on a Build, Own, Operate, and Transfer (BOOT) basis.

New Delhi: REC Power Development and Consultancy Limited (RECPDCL), a wholly owned subsidiary of REC Limited, has handed over two project-specific Special Purpose Vehicles (SPVs) to Power Grid Corporation of

India Limited (PGCIL). The SPVs, named Rajasthan IV-C Power Transmission Limited and Rajasthan IV-E Power Transmission Limited, were created for the evacuation of power from the Rajasthan Renewable Energy Zone Phase IV, located in the Jaisalmer/Barmer complex.

RECPDCL Hands Over 2 SPVs viz. Rajasthan IV-C Power Transmission Limited & Rajasthan IV- E Power Transmission Limited to M/s Power Grid Corporation of India Limited

HUMMER NEWS

GURUGRAM: REC Power Development and Consultancy Limited (RECPDCL), a wholly owned subsidiary of REC Limited, the Maharatna CPSU under the aegis of Ministry of Power, handed over 2 (two) project specific SPVs (Special Purpose Vehicles), viz. Rajasthan IV-C Power Transmission Limited and Rajasthan IV-E Power Transmission Limited formed for evacuation of power from Rajasthan Renewable Energy Zone Ph-IV (Jaisalmer/Barmer Complex).

M/s Power Grid Corporation of India Limited (PGCIL) emerged as the Transmission Service Provider (TSP) through Tariff-based Competitive Bidding (TBCB) process

conducted by RECPDCL, the Bid Process Coordinator, for development of above transmission projects on Build, Own, Operate & Transfer (BOOT) basis.

The project Rajasthan IV-C Power Transmission Limited covers construction of 765/400 kV, 3x1500 MVA & 400/220 kV, 5x500 MVA Pooling Station at Mandsaur, 171.75 Kms of 765 kV line and associated works. The project Rajasthan IV-E Power Transmission Limited covers 765 kV Substation near Rishabdeo, 339.24 Kms of 765 kV line and associated works.

The SPVs were handed over by Shri T.S.C. Bosh, CEO, RECPDCL to the officials of PGCIL including Shri Satya Prakash Dash, Company Secretary in the presence of Senior Officials of RECPDCL and Central

Transmission Utility of India Limited. The projects are targeted for implementation in 2 years.

About REC Limited: REC Limited is an NBFC focusing on Power Sector Financing and Development across India. Established in 1969, REC Ltd. has completed over fifty-five years in the area of its operations. It provides financial assistance to complete power-sector value chain; for various types of projects including

Generation, Transmission & Distribution and Renewable Energy. Recently, REC has also diversified into non-power Infrastructure & Logistics sector to cover areas such as airports, metro, railways, ports, bridges, etc.

About RECPDCL: REC Power Development and Consultancy Limited,

a wholly owned subsidiary of REC Limited, has been providing knowledge-based consultancy and expert project implementation services to several State power distribution companies/Power Departments of States. RECPDCL has also been implementing transmission projects in UTs of J&K and Ladakh.

RECPDCL has also been acting as Bid Process Coordinator (BPC) for Inter-state as well as Intrastate transmission projects and RE-Bundling projects implemented through Tariff Based Competitive Bidding (TBCB). RECPDCL with its expert consulting, project implementation and transaction advisory services is thus playing a key role across the power sector value chain of the country.
