## RECPDCL Hands Over Pachora Power Transmission SPV to G R Infraprojects Pvt Ltd

## RECPDCL transfers key SPV to G R Infraprojects for Madhya Pradesh RE project

New Delhi: REC Power Development and Consultancy Limited (RECPDCL), a fully owned subsidiary of REC Limited under the ministry of power, has successfully handed over

a project-specific Special Purpose Vehicle (SPV) to G R Infraprojects Private Limited.

The SPV, named Pachora Power Transmission Limited, is instrumental in the "Evacuation of Power from RE Projects in Rajgarh (1000 MW) SEZ in Madhya Pradesh-Phase II", a significant stride facilitated through the Tariff-based Competitive Bidding process.

The handover event was graced by the presence of RECPDCL CEO Rajesh Kumar, senior officials from RECPDCL, representatives from the Central Transmission Utility of India Limited (CTUIL), and other key stakeholders, highlighting the collective effort toward bolstering India's renewable energy infrastructure.

## RECPDCL Hands Over Pachora Power Transmission SPV To GR Infraprojects

State-owned REC on Thursday said its arm RECPDCL has handed over Pachora Power Transmission SPV to GR Infraprojects.

The SPV was formed for the establishment of the Interstate Transmission Project for evacuation of power from renewable energy (RE) projects in Rajgarh (1,000 MW) SEZ in Madhya Pradesh-phase II through a tariff-based competitive bidding process, REC said in a statement.

The special purpose vehicle (SPV) Pachora Power Transmission was handed over to the successful bidder GR Infraprojects in the presence of senior officials from RECPDCL.

Additionally, representatives from the Central Transmission Utility of India Limited (CTUIL) and other key stakeholders attended the event, it said.

RECPDCL, a wholly-owned subsidiary of REC Limited, has been acting as bid process coordinator (BPC) for tariff-based competitive bidding (TBCB) in transmission line projects and RE-bundling projects.

## RECPDCL Transfers Pachora Power Transmission SPV To G R Infraprojects

**New Delhi:** In a significant move towards enhancing the inter-state transmission infrastructure for renewable energy projects, REC Power Development and Consultancy Limited (RECPDCL), a subsidiary of REC Limited, handed over the project-specific Special Purpose Vehicle (SPV) to G R Infraprojects Private Limited. The SPV, named Pachora Power Transmission Limited, is dedicated to establishing an Inter-State Transmission Project for the evacuation of power from RE Projects in Rajgarh SEZ in Madhya Pradesh, Phase II, with a capacity of 1000 MW. The handover ceremony witnessed the presence of senior officials from RECPDCL, representatives from the Central Transmission Utility of India Limited (CTUIL), and other key stakeholders.

Shri Rajesh Kumar, CEO of RECPDCL, emphasized the organization's commitment to supporting the growth of renewable power reforms in line with the visionary directions of the Power Minister and Power Secretary. The initiative aligns with the broader goal of meeting the increasing electricity demand in the country through the development of efficient and robust transmission systems. The project was awarded through the Tariff-based Competitive Bidding (TBCB) process, reflecting the government's focus on competitive and transparent mechanisms for the expansion of renewable energy infrastructure.
