Union Minister Shri Manohar Lal inaugurates National Feeder Monitoring System Control Centre at REC Limited on it's 55th Foundation Day

Shri Manohar Lal plants tree saplings under 'Ek Ped Maa Ke Naam' campaign

Posted On: 25 JUL 2024 9:35PM by PIB Delhi

Shri Manohar Lal, Minister of Power and Housing & Urban Affairs, inaugurated National Feeder Monitoring System (NFMS) Control Centre on REC Limited's 55th Foundation Day today, at REC Headquarters, Gurugram in the presence of Shri Shripad Yesso Naik, Minister of State for Power and New & Renewable Energy.

Shri Vivek Kumar Dewangan, CMD, REC and key officials of the Ministry of Power, REC Limited and RECPDCL were also present at the occasion.

NFMS, a flagship initiative of Ministry of Power, entails access to detailed information related to real time hours of power supply, power outages and overall health of ~2.5 lakh feeders (11 KV outgoing) across the country. This system will enable stakeholders to make informed and actionable decisions, thereby bringing in transparency, efficiency and accountability to distribution utilities (DISCOMS), ultimately improving the quality and reliability of power supply to the end consumers. The project involves integration of master as well as transactional data with 87 Discoms.

Manohar Lal inaugurates National Feeder Monitoring System Control Centre at REC HQ Gurugram

The control centre would monitor and analyze real-time data from multiple sources and maintain the data sanctity in the NFMS portal. It will be using advanced technologies and software to collect, process, and display information relevant to the operations, collaborating closely with key stakeholders.

Union Minister Manohar Lal Unveils National Feeder Monitoring System Control Centre At REC

Union Minister of Power and Housing & Urban Affairs Manohar Lal, unveiled the National Feeder Monitoring System (NFMS) Control Centre at REC's headquarters in Gurugram on Friday, marking the company's 55th Foundation Day.

The NFMS, a flagship initiative by the Ministry of Power, offers detailed, real-time data on power supply, outages, and the overall health of approximately 2.5 lakh (250,000) 11 KV outgoing feeders nationwide. This system aims to enhance transparency, efficiency, and accountability among distribution utilities (DISCOMS), ultimately improving the quality and reliability of power supply for end consumers. The project involves integrating master and transactional data with 87 Discoms.

Manohar Lal Inaugurates National Feeder Monitoring System Control Centre At REC HQ Gurugram

On the 55th Foundation Day of REC Limited, Union Minister of Power and Housing & Urban Affairs, Manohar Lal, inaugurated the National Feeder Monitoring System (NFMS) Control Centre at REC Headquarters in Gurugram on Thursday.

The NFMS, an ambitious project by the Ministry of Power, aims to provide real-time data on power supply, outages, and the overall status of approximately 2.5 lakh (250,000) 11 KV feeders across India. This initiative is designed to enhance transparency, efficiency, and accountability in power distribution, ultimately benefiting consumers with improved quality and reliability of electricity supply. The system integrates data from 87 distribution companies (DISCOMs), facilitating informed decision-making for stakeholders.

HUMMER NEWS

NEW DELHI: Shri Manohar Lal, Minister of Power and Housing & Urban Affairs, inaugurated National Feeder Monitoring System (NFMS) Control Centre on REC Limited's 55th Foundation Day today, at REC Headquarters, Gurugram in the presence of Shri Shripad Yesso Naik, Minister of State for Power and New & Renewable Energy.

Shri Vivek Kumar Dewangan, CMD, REC and key officials of the Ministry of Power, REC Limited and RECPDCL were also present at the occasion.

NFMS, a flagship initiative of Ministry of Power, entails access to detailed information related to real time hours of power supply, power outages and overall health of ~2.5 lakh feeders (11 KV outgoing) across the country. This system will

enable stakeholders to make informed and actionable decisions, thereby bringing in transparency, efficiency and accountability to distribution utilities (DISCOMS), ultimately improving the quality and reliability of power supply to the end consumers. The project

involves integration of master as well as transactional data with 87 Discoms.

Under the ambit of the programme, a dedicated control centre has now been established in REC Corporate Office in Gurugram for monitoring on day to day basis and to

disseminate the findings to Discoms daily, thereby, ensuring the accuracy and efficiency of data displayed on NFMS portal and helping them in improving and maintaining necessary KPIs set by the Ministry.

Speaking on the occasion, the Union Minister congratulated REC on its 55th Foundation Day and said, "As we inaugurate the National Feeder Monitoring System Control Centre today, we take a significant step towards harnessing the power of technology for energising our nation. This system stands as a testament to our commitment to improve power distribution and management across the country. I believe that this initiative will not only enhance the efficiency of our power grids but also ensure a more reliable and continuous power supply for our

citizens. Together, let's illuminate every home and empower every citizen with the light of progress and development."

The control centre would monitor and analyze real-time data from multiple sources and maintain the data sanctity in the NFMS portal. It will be using advanced technologies and software to collect, process, and display information relevant to the operations, collaborating closely with key stakeholders.

RECPDCL, a subsidiary of REC Limited, has developed NFMS for monitoring Quality and Reliability of Power at national level with the overall objective of achieving 24x7 continuous Power supply.

On the occasion, Union Minister Shri Manohar Lal also joins the #एक पेड़ माँ के नाम (#onePlant4Mother) campaign by planting trees at REC office in Gurugram.

मनोहर लाल और श्रीपद नाइक ने आरईसी लिमिटेड के 55वें स्थापना दिवस पर राष्ट्रीय फीडर मॉनिटरिंग सिस्टम नियंत्रण केंद्र का उद्घाटन किया

मनोहर लाल-श्रीपद नाइक ने 'एक पेड़ मां के नाम' अभियान के तहत पौधे लगाए

नई दिल्ली। फोकस न्यूज़। विद्युत और आवास एवं शहरी मामलों के मंत्री मनोहर लाल ने आरईसी लिमिटेड के 55वें स्थापना दिवस पर गुरुग्राम स्थित आरईसी मुख्यालय में विद्युत और नवीन एवं नवीकरणीय ऊर्जा राज्य मंत्री श्रीपद येसी नाइक की उपस्थिति में राष्ट्रीय फीडर मॉनिटरिंग सिस्टम (एनएफएमएस) नियंत्रण केंद्र का उद्घाटन किया। इस अवसर पर आरईसी के सीएमसी विवेक कुमार देवांगन और विद्युत मंत्रालय, आरईसी लिमिटेड और आरईसीपीडीसीएल के प्रमुख अधिकारी भी उपस्थित थे। एनएफएमएस, विद्युत मंत्रालय की एक प्रमुख पहल है, जिसके तहत देश भर में लगभग 25 लाख फीडर्स (11 कोटी आउटगोइंग) की वास्तविक समय में बिजली आपूर्ति के घंटों, बिजली कटौती और समय स्वास्थ्य से संबंधित दिसृत जानकारी तक पहुंच सुनिश्चित की जाती है। यह प्रणाली हितधारकों को सूचित और कार्रवाई योग्य निर्णय लेने में सक्षम बनाएगी, जिससे वितरण उपयोगिताओं (डिस्कॉम) में पारदर्शिता, दक्षता और जवाबदेही आएगी, जिससे अंततः अंतिम उपभोक्ताओं को बिजली आपूर्ति की गुणवत्ता और विश्वसनीयता में सुधार होगा। इस परियोजना में 87 डिस्कॉम

के साथ मास्टर और साथ ही लेन-देन संबंधी डेटा का एकीकरण शामिल है। कार्यक्रम के दायरे में, अब गुरुग्राम में आरईसी कॉर्पोरेट कार्यालय में एक समर्पित नियंत्रण केंद्र स्थापित किया गया है, जो दिन-प्रतिदिन निगरानी करेगा और डिस्कॉम को प्रतिदिन निष्कर्षों का प्रसार करेगा, जिससे एनएफएमएस पोर्टल पर प्रदर्शित डेटा की सटीकता और दक्षता सुनिश्चित होगी और मंत्रालय द्वारा निर्धारित आवश्यक केपीआई को सुधारने और बनाए रखने में उनकी मदद मिलेगी। इस अवसर पर बोलते हुए, केंद्रीय मंत्री ने आरईसी को उसके 55वें स्थापना दिवस पर बधाई दी और कहा, "आज जब हम राष्ट्रीय फीडर मॉनिटरिंग सिस्टम कंट्रोल सेंटर का उद्घाटन कर रहे हैं, तो हम अपने देश को ऊर्जा प्रदान करने के लिए प्रौद्योगिकी की शक्ति का उपयोग करने की दिशा में एक महत्वपूर्ण कदम उठा रहे हैं। यह प्रणाली देश भर में बिजली वितरण और प्रबंधन में सुधार के लिए हमारी प्रतिबद्धता का प्रमाण है। मेरा मानना है कि यह पहल न केवल हमारे पावर ग्रिड की दक्षता को बढ़ाएगी बल्कि हमारे

नागरिकों के लिए अधिक विश्वसनीय और निरंतर बिजली आपूर्ति भी सुनिश्चित करेगी। आइए हम सब मिलकर हर घर को रोशन करें और हर नागरिक को प्रगति और विकास के प्रकाश से सशक्त बनाएं।" नियंत्रण केंद्र कई स्रोतों से वास्तविक समय के डेटा की निगरानी और विश्लेषण करेगा और एनएफएमएस पोर्टल में डेटा की शुद्धता बनाए रखेगा। यह प्रमुख हितधारकों के साथ मिलकर संचालन से संबंधित जानकारी एकत्र करने, संसाधित करने और प्रदर्शित करने के लिए उन्नत तकनीकों और सॉफ्टवेयर का उपयोग करेगा। आरईसी लिमिटेड की सहायक कंपनी आरईसीपीडीसीएल ने राष्ट्रीय स्तर पर बिजली की गुणवत्ता और विश्वसनीयता की निगरानी के लिए एनएफएमएस विकसित किया है, जिसका समय उद्देश्य 24x7 निरंतर बिजली आपूर्ति प्राप्त करना है।

Union Minister Manohar Lal unveils NFMS Control Centre at REC Ltd on it's 55th Foundation Day

Manohar Lal, Minister of Power and Housing & Urban Affairs, inaugurated National Feeder Monitoring System (NFMS) Control Centre on REC Limited's 55th Foundation Day on Friday, at REC Headquarters, Gurugram in the presence of Shripad Yesso Naik, Minister of State for Power and New & Renewable Energy. Vivek Kumar Dewangan, CMD, REC and key officials of the Ministry of Power, REC Limited and RECPDCL were also present at the occasion. NFMS, a flagship

initiative of Ministry of Power, entails access to detailed information related to real time hours of power supply, power outages and overall health of ~2.5 lakh feeders across the country.

منوہر لال نے REC لمیٹڈ کے سینٹر کا افتتاح کیا

کارکردگی کو یقینی بنایا گیا ہے۔ اور وزارت کی طرف سے مقرر کردہ ضروری KPIs کو بہتر بنانے اور برقرار رکھنے میں ان کی مدد کرنا۔ اس موقع پر اظہار خیال کرتے ہوئے، مرکزی وزیر نے REC کو اس کے 55 ویں یوم تائیس پر مبارکباد دی اور کہا، "جب ہم آج میٹھل فیڈر مانیٹرنگ سسٹم کنٹرول سنٹر کا افتتاح کر رہے ہیں، ہم نے ایک اہم قدم اٹھایا ہے۔ ہماری قوم کو توانائی پیشے کے لیے ٹیکنالوجی کی طاقت کو بروئے کار لانے کی طرف۔ یہ نظام پورے ملک میں بجلی کی تقسیم اور انتظام کو بہتر بنانے کے ہمارے عزم کا ثبوت ہے۔ مجھے یقین ہے کہ اس اقدام سے نہ صرف ہمارے پاور گریڈ کی کارکردگی میں اضافہ ہوگا بلکہ ہمارے شہریوں کے لیے زیادہ قابل اعتماد اور مسلسل بجلی کی فراہمی کو بھی یقینی بنایا جائے گا۔ آئیے مل کر ہر گھر کو روشن کریں۔"

وشو سیٹیا میں بہتری آئے گی۔ اس منصوبے میں 87 ڈسکام کے ساتھ ماسٹر کے ساتھ ساتھ لیٹن دین کے ڈیٹا کا انتظام بھی شامل ہے۔ پروگرام کے دائرہ کار کے تحت، ہب پروگرام میں REC کارپوریشن آفس میں روزانہ کی بنیاد پر نگرانی کے لیے ایک وقف کنٹرول سینٹر قائم کیا گیا ہے اور روزانہ کی بنیاد پر Discoms کو نتائج پہنچانے کے لیے، اس طرح NFMS پورٹل پر دکھائے جانے والے ڈیٹا کی درستگی اور

دلی، پاور اور ہاؤسنگ اور شہری امور کے وزیر جناب منوہر لال نے آج REC لمیٹڈ کے 55 ویں یوم تائیس پر میٹھل فیڈر مانیٹرنگ سسٹم (NFMS) کنٹرول سنٹر کا افتتاح کیا، REC ہیڈ کوارٹر گروگرام میں بجلی کے وزیر محکمات جناب شری پدیسو ناتھ کی موجودگی میں اور نئی اور قابل تجدید توانائی۔ این ایف ایس ایچ کی وزارت کا ایک اہم اقدام ہے، جس میں ملک بھر میں 2.5 لاکھ فیڈرز (KV 11) آؤٹ گونگ) کی بجلی کی فراہمی کے حقیقی اوقات، بجلی کی بندش اور مجموعی صحت سے متعلق تفصیلی معلومات تک رسائی شامل ہے۔ یہ نظام اسٹیک ہولڈرز کو باخبر اور قابل عمل فیصلے کرنے کے قابل بنائے گا، اس طرح ڈسٹری بیوشن یوٹیلٹی (DISCOMS) کے لیے شفافیت، کارکردگی اور جوابدہی لایا جائے گا، آخر کار صارفین کو بجلی کی فراہمی کے معیار اور

Thank You
